WORK EXPERIENCE

Prakash Enterprises, Bhiwandi | Web Designer

April 2023 - Jan 2024

- Managed the product portfolio of various footwear brands on the company's website, ensuring that wholesaler parties could access accurate and up-to-date product information.
- Utilized HTML, CSS, JavaScript, Bootstrap, Excel, and Tally Prime to maintain and update the website and manage data.
- Developed strong leadership skills by leading a team to achieve project goals and ensuring smooth operations.

Technical Team | TechXpression (B.K. Birla College)

Jan 2024 - Feb 2024

- Collaborated with the technical team to maintain and enhance the front-end UI/UX of the tech fest website.
- Ensured the website provided an intuitive and engaging user experience, aligning with the event's branding and goals.
- Worked closely with team members to troubleshoot issues, implement design improvements, and ensure the website's smooth functionality.
- Developed teamwork and project management skills through regular coordination and collaboration with the team.

PROJECTS

Edu-Hub | EDUCATIONAL WEBSITE

- Developed a comprehensive website for students to access notes for all subjects and watch video lectures from curated YouTube channels to enhance their understanding.
- Implemented frontend technologies and other web technologies to ensure a seamless and engaging user experience.
- Achieved significant popularity among students for its convenience and extensive resource library, becoming a go-to tool for academic support in the college.

DISCOVER VARANASI | Tourism Website (Ongoing)

- Developed a comprehensive website to provide tourists with detailed information about the best tourist attractions in Varanasi.
- Designed an intuitive interface to showcase seasonal highlights, allowing users to explore the best times to visit various landmarks.
- Implemented features for tourists to easily access information about local events, festivals, and unique experiences in Varanasi.
